

AMELIA

Rising from BEIRUT, one of the top nightlife destinations in the world, AMELIA established its roots as one of Mar Mikhael's hidden gems, where a 500-years old historical building was revamped and morphed into a refined Lounge Restaurant offering the best in Mixology, Gastronomy and Music.

WE ARE CHEFS taking you on a culinary journey born of Japanese & Peruvian origins; Our menu boasts a finely articulated blend of Nikkei Cuisine with Mediterranean hints and an intense intercultural exchange expressing the diversity of flavours.

Guests at AMELIA will journey on a mouth-watering adventure, delicately prepared and cooked to perfection.

Amelia's insatiable appetite for bringing people together with a focus on warm service in an uplifting atmosphere delivers a truly unique experience that invokes all senses.
